

WASHINGTON METROPOLITAN AREA TRANSIT COMMISSION

WASHINGTON, D. C.

ORDER NO. 858

IN THE MATTER OF:

Served August 23, 1968

Interline Agreement Between)
A. B. & W. Transit Company)
and W. V. & M. Coach Company.)

Application No. 530

An Interline Agreement between the two carriers was received by the Washington Metropolitan Area Transit Commission on August 12, 1968. While the agreement was simply filed with an attached cover letter, the Commission will treat it as an application for approval and appropriate route authorization, since each is necessary, in our opinion, before service may lawfully commence.

The Interline Agreement included in the application was executed by each of the carriers on August 9, 1968, and provided for a joint interline service between the Seven Corners area, the Bailey's Crossroads area, the Washington National Airport and Rosslyn, Virginia. As all of the area involved is within the Commonwealth of Virginia, a copy of the Interline Agreement has also been filed with the Virginia State Corporation Commission.

The Commission finds that the terms of the Interline Agreement are responsive to the Commission's interest in an improved level of mass transit availability in the Virginia portion of the Washington Metropolitan Area, per its Order No. 829, issued June 18, 1968.

THEREFORE, IT IS ORDERED that Application No. 530, consisting of an Interline Agreement between A. B. & W. Transit Company and W. V. & M. Coach Company, executed August 9, 1968, be, and it is hereby, approved.

BY DIRECTION OF THE COMMISSION:

MELVIN E. LEWIS
Executive Director
